

Instructions:

Gather your tools!

Colour pencils, markers, or paint & brush

Scissors or precision knife & mat

PVA glue & small glue brush

- Colour in or paint all images including landscape on the inside cover, add your own graffiti if you wish, Skip this step if you're assembling the colour version of this zine! Leave to dry before cutting out.
- Cut out the prison buildings & flames.
- Fold the tabs & all the sections.
- Brush glue onto tabs & press together until glue holds,
- Glue the base of the assembled window box to the top of the assembled tower base, Glue the assembled roof to the top of the window box.
- Slot the tab from the small flames into the gap at the back of the window box, or glue them directly onto the back.
- Glue the tab of the large flames to the roof of the low prison block.
- Enjoy your completed diorama!

PRISONS ARE FOR
FIRE
